

**H. Dean and Susan Regis Gibson Award
For Undergraduate and Graduate Students
Deadline: January 31, 2018**

H. Dean and Susan Regis Gibson have generously given money to the University to help one or two outstanding graduate or undergraduate students with particular attention but not limited to female students to conduct brain imaging research in the Center for Cognitive and Behavioral Brain Imaging (see description below in General Guidelines).

GENERAL GUIDELINES

The \$1,250 - \$2,500 award is given on the basis of scholastic achievement, completed and/or intended research achievement, and the successful completion of a research proposal for conducting brain imaging research in the Center for Cognitive and Behavioral Brain Imaging. Funds from the award can be used to cover research expenses including scanner time, subject fees, and research supplies.

CONDITIONS OF ELIGIBILITY

To be considered for this research scholarship, a student must:

1. Be a current graduate or undergraduate student at OSU.
2. Have a cumulative grade point average of 3.5 or higher.
3. Have completed an undergraduate or graduate level course on Magnetic Resonance Imaging.
4. Be enrolled fulltime in any semester you receive funds.

APPLICATION REQUIREMENTS

Please submit all of the following by January 31, 2018 to:

Center for Cognitive and Behavioral Brain Imaging
058 Psychology Building
1835 Neil Avenue
Columbus, OH 43210

Electronic submissions are acceptable. Please send to: fowler.40@osu.edu

1. Attached application
2. A maximum five double-spaced page proposal with
 - Title of proposed study
 - Brief background of study
 - Rationale and clear statement of hypotheses to be tested
 - Description of subjects to be tested
 - Specifications of protocol to be employed
 - Stimulus presentation requirements (audio, visual, other)
 - Analyses to be performed
 - Projected start and completion dates
 - Faculty advisor
 - Budget and budget justification
3. Resume
4. Two letters of recommendation

Selection of the award recipient(s) will be made by February 11, 2018.

**The CCBBI Student Neuroimaging Research Award
For Undergraduate and Graduate Students
Deadline: January 31, 2018**

The Center for Cognitive and Behavioral Brain Imaging is pleased to announce the CCBBI Student Neuroimaging Research Award. This scholarship is made possible through the thoughtful generosity of donors invested in providing bridges to education for one or two graduate or undergraduate students conducting brain imaging research at the CCBBI.

GENERAL GUIDELINES

The \$500 - \$1,500 award is given on the basis of scholastic achievement, completed and/or intended research achievement, and the successful completion of a research proposal for conducting brain imaging research in the Center for Cognitive and Behavioral Brain Imaging. Funds from the award can be used to cover research expenses including scanner time, subject fees, and research supplies.

CONDITIONS OF ELIGIBILITY

To be considered for this research scholarship, a student must:

1. Be a current graduate or undergraduate student at OSU.
2. Have a cumulative grade point average of 3.5 or higher.
3. Have completed an undergraduate or graduate level course on Magnetic Resonance Imaging.
4. Be enrolled fulltime in any semester you receive funds.
