APPLICATION FOR CCBBI FELLOW STATUS

Updated: January 9, 2024

For incoming faculty, please complete the attached form
Submit to Uyen Tram at ccbbservice@osu.edu

1. Name of Faculty Member: _____

2. ASC Tenure Initiating Unit of the Faculty Member: _____

3. Please provide details on the following:
 - a. A paragraph detailing your neuroimaging research program. CCBBI Fellow status is granted to all tenure-track faculty members within the College of Arts & Sciences at Ohio State University whose tenure initiating unit (TIU) is in this college and who maintain an active neuroimaging lab. An active neuroimaging lab is defined in one of three ways: 1) the faculty member is a core member of the cognitive neuroscience program in the Department of Psychology, 2) holds an externally funded grant where they serve as the Principal Investigator (PI) or Co-PI utilizing CCBBI scanner resources, or 3) has authored at least two papers in the last year as a senior author, utilizing MRI.

 - b. A paragraph detailing your service commitment to the Center. Please visit the Center website to learn about initiatives and activities at the Center. CCBBI Fellows are expected to actively contribute by serving on Center committees, participating in the Center's ADNiR program as mentors, and attending and engaging with external speakers invited for the CCBBI Users' Talk Series.

 - c. Please submit this form along with a copy of your CV to be considered for fellow status at CCBBI.
