CCBBI encourages all trainee members to stay informed about Center policies (Appendix I through VI), particularly if they are involved in scheduling and data collection procedures. Trainees are also mandated to maintain current Safety Certification. If you need to renew your annual certifications, please contact ccbbi.service@osu.edu.

Furthermore, we strongly urge all our trainees to actively participate in CCBBI committees, outreach activities, and workshops. Teaching is a fundamental mission of CCBBI, and our students represent the next generation of scientists. We invite you to become actively involved in shaping the future of neuroimaging research and innovation.
